Dear Parents,

Next Monday 9th February is the grand opening of our new classroom at 10.30 a.m. and you are very welcome to join us for the occasion. Ashley Jackson and the Mayor of Barnsley will jointly open the room by unveiling a plaque and we are delighted that Edna Sutton, John Cape, Richard Lawton from Firth Partnership and Mr Copley (builders) will also be able to come.

We will begin with a gathering in the hall and the school council will present a powerpoint filled with photographs of the whole project before, during and after completion. When you look back to what was there before and how the space will now used it is just marvellous. The enlarged entrance area is also a huge improvement when visitors first come into school. You never get a second chance to make a first impression.

The tables are due to come this week and with the chairs already here, your children can start to use the room to develop their creative and scientific talents. We are so grateful to everyone who has helped to support this project that helps us move from strength to strength and provide only the very best for your children.

Over half term we will be having new windows fitted in the school hall and lead replacement material on the roof. You may recall we had our lead stolen from the school roof in the Autumn but fortunately our school insurance has covered all this work and it worked out cheaper to have new windows so we are not complaining!

We have also recently had new water heaters fitted in several of the children's cloakrooms including foundation stage. The next major work is to improve the outside area for our youngest children in the Foundation Stage ~ never a dull moment at Holy Rood School!

easysearch.org.uk

Search the Internet and raise money for school by using the link below as your search engine!

<http://holyroodbarnsley.easysearch.org.uk>

Easy Search ~ Money for nothing! : another great way for us to fundraise and we have already been sent a cheque for £43.96 just by people using their search engine instead of for example Google. By making just 10 searches a day with easysearch, you can raise around £20 a year. This is how it works:

Its easy to raise funds for Holy Rood School by just searching the Web using EASYSEARCH - simply set your web browser to easysearch and every search you make generates cash for Holy Rood School, just doing what you already do!

Thought For The Week

I want all the cultures of all lands to be blown about my house as freely as possible. But I refuse to be blown off my feet by any.

(Gandhi)
