

Friends Newsletter **January - April 2009**

The friends of Holyrood are usually parents, grandparents and teachers of the children at the school. They dedicate individual amounts of time and energy through different fund raising events to raise money, which benefits the children. The events can be social gatherings e.g. school fayre, coffee mornings, discos, bingo night etc or the selling of reindeer food, raffle, trolley token and organising school photos or calendars.

If you can dedicate some time, want to join in or have any new ideas please let us know by contacting any of the friends or email [**mandy.philbin @blueyonder.co.uk**](mailto:mandy.philbin@blueyonder.co.uk)
